To Whom It May Concern,

This letter is a statement of compliance regarding the content of Conflict Minerals listed in the Dodd-Frank Act, within the LCA® (Low Cost Alternative) products manufactured by Uniplas, Inc.

Uniplas, Inc. hereby states all LCA® products and components used in our formulations do not contain any of the substances listed in the Dodd-Frank list of Conflict Minerals.

The minerals in question are Tin (Sn), Tantalum (Ta), Tungsten (W), and Gold (Au) —a group commonly known as 3TG.

Please feel free to contact us directly if you have any questions, and as always, thank you for your continued interest in Uniplas, Inc.
